The Shadow of the Cross

A young man who had been raised as an atheist was training to be an Olympic diver. The only religious influence in his life came from his outspoken Christian friend. The young diver never really paid much attention to his friend's sermons, but he heard them often. One night the diver went to the indoor pool at the college he attended. The lights were all off, but as the pool had big skylights and the moon was bright, there was plenty of light to practice by. The young man climbed up to the highest diving board and as he turned his back to the pool on the edge of the board and extended his arms out, he saw his shadow on the wall. The shadow of his body in the shape of a cross. Instead of diving, he knelt down and asked God to come into his life. As the young man stood, a maintenance man walked in and turned the lights on. The pool had been drained for repairs.

National Eucharistic Revival

Our world is hurting. We all need healing, yet many of us are separated from the very source of our strength. Jesus Christ invites us to return to the source and summit of our faith--his Real Presence in the Holy Eucharist. Become part of the Eucharistic Revival; learn, encounter, invite. *Bishop Hanefeldt*
