National Eucharistic Revival

Sin is an offense against God, a failure to love God and our neighbor that wounds our nature and injures human solidarity. The capabilities, talents, and gifts we have received from God are meant to be used for good--not false and illusory good that we in our self-centered desire create for ourselves, but the true good that glorifies the Father of goodness and is directed for the good of others and, in the end, is also good for us. When we misuse the gifts of creation, when we selfishly focus on ourselves, we choose the path of vice rather than the way of virtue. This self-centeredness is an inheritance of the fall of our first parents. Without the grace of Christ received at Baptism, strengthened in Confirmation, and nourished by the Eucharist, this selfishness dominates us.
