The Friends of Paplin

Would not be successful in their efforts to repair, restore, and preserve the historic Paplin property, if it were not for all those who cleaned, set up, brought food, donated silent auction items, played music, sang, helped with the food and cleanup, and those in attendance. Thanks to all those who helped in any way to make it a wonderful and blessed day. Special thanks to Fr. Dave, and Deacon Phil for celebrating Mass. God bless you all.

Catholic Rural Life

Is working on a nationwide video project about Catholics living in rural communities. We're looking for people, families, priests, small business owners, farmers, tradesmen, or parish leaders who have a strong Catholic faith and a story in their life that may be worth exploring on camera. This could take a lot of different forms. For example:
 A farmer or ranching family in a meaningful season of life--Someone trying to keep a small-town business going --A mechanic, tradesman, or shop owner who serves the local community--A priest serving multiple rural parishes--A family involved in tractor pulls, hunting, fishing, snowmobiling, county fairs, or other local traditions-- A father and son fixing up a first car-- Someone preparing for a parish event, feast day, procession, or other community tradition-- A young person deciding whether to stay, leave, return, or take something over--Someone whose Catholic faith shapes their work, family life, service, or responsibilities We're especially interested in people who are going through an experience like the ones listed above right now, whether that is a season of work, a major life decision or challenge, a family tradition, a parish effort, or a responsibility that they are carrying. At this stage, we're trying to find possible leads and have a few conversations. If anyone—including yourself or your own family, parish, and community— comes to mind, please reply to this email--info@catholicrurallife.org with their name, parish or community, and a few lines about why you thought of them.
