National Eucharistic Revival--Why Does Jesus Give Himself to us as Food & Drink

Jesus gives himself to us in the the Eucharist as spiritual nourishment because he loves us. By eating the Body and drinking the Blood of Christ in the Eucharist, we become united to the person of Christ through his humanity. "Whoever eats my flesh and drinks my blood remains in me and I in Him" (Jn 6:56). In being united to the humanity of Christ, we are at the same time united to his divinity. Our mortal and corruptible natures are transformed by being joined to the source of life.

A Prayer of Thanks for Past Year and Year Ahead

Dear God, Thank you that you make all things new. Thank you for all that you've allowed into our lives this past year, the good along with the hard things, which have reminded us how much we need you and rely on your presence filling us every single day. We ask that you would provide for our needs, we ask for your grace and favor. We pray for your blessings to cover us, we pray that you would help us to prosper and make every plan that you have birthed in our heart to succeed. We pray that others would take notice of your goodness and could not help but to say, "These are the ones that the Lord has blessed." - *Debbie McDaniel*

HAPPY THANKSGIVING TO ALL!
