Update on Moving the Altar

Because of scheduling conflicts with the use of the Parish Hall as well as the tile layer for the company doing the work, the plan now is to not start work until the first part of November. And hopefully all will go well and the work will be done by the end of the month if not sooner. And we will still take any donations to this project you may want to give. During the renovations the Masses will be held in the Parish Hall.

If Interested

Do you want to become Catholic? Know someone that would like to become Catholic? It might be easier than you think. Please contact the office or Fr. Richard directly and we will work with you. Don't join an organized religion, become Catholic!

St. Leo's Parish in Grand Island

Our parish has hosted an annual coat giveaway every year, and this year is our 20th year! We are honored that with the help of others in the community we are able to bless so many people with a warm coat for the cold season. Last year we collected 1,629 coats and 1,490 were distributed to individuals and families in the community. Wouldn't it be fantastic if on our 20th year, 2,000 coats were donated? With that being said, we are wondering if you would consider sharing our need for coat donations with your church family. This event would not be possible without the coat donations that we receive throughout the year from the community and to our awesome volunteers. We have several drop off locations in Grand Island; Hyvee, both Super Savers, Texas Roadhouse and St. Leo's. Also if you know of any individuals or families who are struggling to obtain a coat for themselves, please invite them to come to our coat giveaway, Thursday, October 24 from 10 am-5:30 pm.
