Update on Moving the Altar

Because of scheduling conflicts with the use of the Parish Hall as well as the tile layer for the company doing the work, the plan now is to not start work until the first part of November. And hopefully all will go well and the work will be done by the end of the month if not sooner. And we will still take any donations to this project you may want to give. During the renovations the Masses will be held in the Parish Hall.

If Interested

Do you want to become Catholic? Know someone that would like to become Catholic? It might be easier than you think. Please contact the office or Fr. Richard directly and we will work with you. Don't join an organized religion, become Catholic!
