The Lighter Side

At the grocery store a woman wrote her check out for \$20 more than her bill, as she often did. While waiting, she mentioned to the checker that the last time she'd been shopping she had forgotten to take the \$20 owed to her. "I won't make that mistake this time," she said. Seconds later, the woman tucked the \$20 bill into her wallet and headed for her car only to hear the cashier calling after her, "Hey lady! You forgot your groceries!"
